

ПРЕДВАРИТЕЛНА ПРОГРАМА/ PRELIMINARY PROGRAM

Петък, 23 март 2018 г./ Friday, 23th March, 2018

14:00 - 16:00 **Регистрация/ Registration**

Зала Мусала/ Musala Hall

16:00 - 18:00 **Сесия I/ Session I**

Epidemiology, pathophysiology and basic diastology

Модератори:

Chairpersons:

16:00 - 16:20 Epidemiology and natural history of diastolic dysfunction

16:20 - 16:40 Pathophysiology of diastolic dysfunction

16:40 - 17:10 Basic diastology: which parameters do we use and report in clinical practice

17:10 - 17:30 Practical approach to diastolic function: limitations and pitfalls

17:30 - 18:00 Estimating LV filling pressure with doppler. What additional parameter we need?

18:00 - 18:30 **Официално откриване/ Opening Ceremony**

18:30 - 19:30 **Симпозиум**

19:30 **Коктейл/ Reception**

Централно фоайе/ Central lobby

Събота, 24 март 2018 г./ Saturday, 24th March, 2018

Зала Мусала/ Musala Hall

09:00 - 10:30 **Сесия II/ Session II**

Диастолна функция в детската възраст и ВСП.

Diastolic function in childhood and congenital heart disease

Модератори:

Chairpersons:

09:00 - 09:20 Maturation of diastolic function from fetus to adults

09:20 - 09:40 Application of diastolic function assessment in CHD.

09:40 - 10:10 Diastolic function in single ventricle heart diseases

10:10 - 10:30 Diastolic function on right heart CHD

10:30 - 10:50 **Кафе - пауза и посещение на изложбата**

Coffee break and visit to the exhibition

Централно фоайе/ Central lobby

- 10:50 - 12:20 Сесия III/ Session III**
Application of ASE/EACVI guidelines to assess diastolic function and filling pressure
Модератори:
Chairpersons:
- 10:50 - 11:10 State of the Art: ASE/EACVI Guidelines for diastolic function
- 11:10- 11:30 Diastolic function and AF
- 11:30 - 11:50 Assessment of LV filling pressure in primary pulmonary hypertension
- 11:50 - 12:10 Diastolic stress test
- 12:10 - 13:00 Обяд/ Lunch**
- 13:00 - 15:00 Сесия IV/ Session IV**
Clinical Approaches to diseases with diastolic dysfunction
Модератори:
Chairpersons:
- 13:00 - 13:20 Diastolic function in pericardial diseases. Constriction vs Restriction
- 13:20 - 13:40 Diastolic function and CAD
- 13:40 - 14:00 Diastolic function and arterial hypertension
- 14:00 - 14:20 Diastolic function and hypertrophic CMP
- 14:20 - 14:40 Diastolic function and aortic stenosis and regurgitation
- 14:40 - 15:00 Diastolic function and mitral valve disease
- 15:00 - 15:30 Кафе - пауза и посещение на изложбата**
Coffee break and visit to the exhibition
Централно фоайе/ Central lobby
- 15:30 - 16:00 Симпозиум**
- 16:00 - 18:00 Сесия V/ Session V**
Модератори:
Chairpersons:
- 16:00 - 16:20 Diastolic function and pregnancy
- 16:20 - 16:40 Interventricular mechanical dissynchrony and dispersion
- 16:40 - 17:00 CMR and nuclear techniques in diastolic function assessment
- 17:00 - 17:20 Assessment of diastolic function in the cat lab
- 17:20 - 17:40 Left ventricle vortex intensity and LV diastolic function
- 17:40- 18:00 Targeting diastolic dysfunction as therapy

18:00 - 19:30 Вечеря/ Dinner

19:30 - 22:00 Candle light echo session с презентация на клинични случаи
Зала Мусала/ Musala Hall

19:30 - 19:50 Роля на ехокардиографията в пренаталната диагностика

- | | |
|---------------|------------------------------------|
| 19:50 - 20:00 | 1. Клиничен случай/ Clinical case |
| 20:00 - 20:10 | 2. Клиничен случай/ Clinical Case |
| 20:10 - 20:20 | 3. Клиничен случай/ Clinical Case |
| 20:20 - 20:30 | 4. Клиничен случай/ Clinical Case |
| 20:30 - 20:40 | 5. Клиничен случай/ Clinical Case |
| 20:40 - 20:50 | 6. Клиничен случай/ Clinical Case |
| 20:50 - 21:00 | 7. Клиничен случай/ Clinical case |
| 21:00 - 21:10 | 8. Клиничен случай/ Clinical case |
| 21:10 - 21:20 | 9. Клиничен случай/ Clinical case |
| 21:20 - 21:30 | 10. Клиничен случай/ Clinical case |
| 21:30 - 21:40 | 11. Клиничен случай/ Clinical case |
| 21:40 - 21:50 | 12. Клиничен случай/ Clinical case |
| 21:50 - 22:00 | 13. Клиничен случай/ Clinical case |

22:00 Връчване на награди и закриване/ Awards and closing
